Message from Ms. Sheila

Hello Families! It is so exciting to continue meeting the children coming on campus as well as during their zoom lessons. It was a pleasure meeting several families during the last Parent Talk. I hope to meet more parents during the upcoming Parent Talk.

Wishing you a great weekend and the week ahead!

Truly,

Ms. Sheila

Congratulations to Our Silver Sands Beal Bank Southern Nevada Regional Science & Engineering Fair Participants and Award Winners
Submitted by: Ms. Marlo

Thank you to all the students who participated in the Southern Nevada Regional Science & Engineering Fair, and also to the families and teachers for being their support and guidance. Your willingness to participate in the virtual fair and for helping and encouraging their interest in science is tremendous. Also, special thanks to the science fair volunteers that judged, setup, or assisted with presentation slides- Mahalo for your time! We also appreciate Beal Bank and UNLV for organizing the virtual fair to give some semblance of consistency and normalcy for students, and we all look forward to an in-person fair next year!
